Friday AM Friends of Airport Manatee

March 9, 2025 - issue 66

EARLY SPRING COOKOUT SUCCESS

Thanks to the suggestion of John and Sue Santonocito, we had a great cookout on the last day of February. John and Sue put a lot of work into it, both in planning and execution. Mike Hascall supplied the burgers and franks, Ron Jarvis roasted up corn on the cob, Pam Hoffman cooked up a pot of her famous baked beans, and others chipped in sides and desserts. The weather even cooperated and provided sun that warmed up a chilly morning.

UPCOMING EVENTS

Tuesday, March 25. Dream Flight is coming to Manatee Airport.

Dream Flight creates unforgettable experiences for our country's military heroes as gratitude for their service. They give back to those who gave through a 15 minute flight in a WWII-era Stearman biplane.

Saturday, March 29, 2025 EAA Chapter 180 Spring Picnic

Open to everyone, come and enjoy the cookout and fly-in. The Spring Picnic is a fundraiser for Young Aviation Enthusiasts.

**Two Manatee Airport authors
will be at Book Signings this month.**
