BRIEF NEWSLETTER

I have been finalizing remodeling and moving into our new condo the last few weeks so I haven't had much time to spend on this month's newsletter. Enjoy the pictures below with little text.

Whether in a hangar or lunch at Popi's, there always seems to be food involved when the gang gets together.

Bill Burton's Champ was involved in an accident on the airport a couple of weeks ago. The aircraft had been rented to an instructor and student. Little is known at this time as to the cause or condition of the two individuals involved. It appears the aircraft strayed off the runway after liftoff and snagged a power line.
